SATURDAY, MAY 15th @ 10am, HOWELL HOUSE

ARRRRR you ready?! The Raingutter Regatta is less than a fortnight away, so I hope you Scallywags have your boat ready to sail. I hear there be Pirates lurking about with a treasure chest full of booty and surprises, so be on your guard you salty seadogs. If you need a  or a boat, please let your 'ole Captain know — there are plenty of both in Davey Jones' locker. And just so there be no misunderstandin', the rules for racin' are on our website — look 'em over so you don't get keelhauled or made to walk the plank.....

WHO: Pack 515  
WHAT: Centennial Pack Tree Planting Project  
WHEN: Saturday, May 22nd, 2010 — 9am-Noon  
WHERE: Simmers-Young Park, Winter Haven, FL  
WHY: Only Comes Around Every 100 Years

Plans are in place for Pack 515 to step up and give back to our community. We are finalizing an Earth Conservation project to be held on Saturday, May 22<sup>nd</sup>, in conjunction with the Polk County Parks and Recreation Department, Publix, Home Depot, CVS and other local sponsors. With a significant workforce consisting of over forty Cubs, Troop 515 Boy Scouts and Parents from Unit 515, we will plant a variety of 100 regional Centennial trees at our new Simmons-Young Athletic Park, here in Winter Haven, just off Spirit Lake Road.

Siblings, friends, and co-workers are invited to take part in a very large community service project here in Polk County.

Watch for flyers/updates on required items and much-needed staff/volunteer positions.

#### **THIS IS A PACK EVENT FOR MAY**

Your assistance will be very much appreciated, so please make arrangements to be in attendance.

You will have the chance to plant a piece of your legacy with your family.

### **SCOUT FACT**

More than 1.5 million pinewood derby cars are sold each year. If the cars were lined up end to end, they would stretch **166** miles.
