Dear Parent/Caregiver:

WE NEED YOUR HELP! The United Way of Central Florida, in partnership with the Polk, Hardee, and Highland County Schools, have offered us an opportunity to track the academic and social progress of the youth we serve. By measuring the progress of our youth members, we can make adjustments in our program that will improve our ability to help your child meet his/her potential.

WE WILL keep all information about your child confidential.

We believe in our program and we believe in our youth. This information will be used to fulfill the requirements of the United Way of Central Florida to track our services. It will also help us to prove that our program makes a difference in the life of your child.

The United Way requires that we measure the success of our program through academic performance. Your cooperation will help them to raise the resources we need to better serve your family.

Please help us by completing the form below and attaching this form to your membership application.

We sincerely apologize for the late notice, and profoundly thank you in advance for your continued support of Scouting and the United Way!

Regards,

Alfred "Al" E. Harrell, III
Chief Operating Officer/Director of Field Service
